

The Grove

The Grove is a thoughtfully designed smaller home, customisable with multiple elevations to make it truly yours. It's an entertainer's delight, offering a stunning open-plan living area and a private retreat for when it's time to retire for the evening. The front of the home showcases the gourmet kitchen, seamlessly integrated into the dining area and opening onto the optional alfresco, creating ample space for indoor and outdoor living and cool shade in the heat of summer.
