

The Chidlow

The Chidlow is a modern two-bedroom, two-bathroom granny flat designed for comfort and style. An open-plan layout connects the living, dining, and kitchen areas, creating a spacious and inviting atmosphere. High ceilings enhance the sense of space, while the island bench adds a contemporary touch to the heart of the home.

Enjoy the outdoors under an optional verandah – the perfect spot to relax and soak in the views of your property. With bedrooms positioned at opposite ends of the home, privacy is assured, making the Chidlow ideal for multigenerational living, downsizers, staff accommodation, or a peaceful holiday retreat.
